THANKS TO: Chris Byrd (The Gathering BBS) and The PC Journal staff (PCJ Information Exchange BBS) for their cooperation in compiling this directory.

HOW DO I GET MY BBS ADDED TO THE DIRECTORY?

SYSOPS: To have your board included in the Directory or to modify your listing, E-Mail Fire Escape with the appropriate information c/o:

Fire Escape's BBS Directory HQ (741-9505), The Gathering BBS (839-2978), The PC Journal Information Exchange (965-2717/8755) OR on any other system where you know Fire Escape to be a user. If you have access to FIDONet or TOADNet, you can also NetMail Fire Escape at 1:100/225 (FidoNet) or 86:8012/38 (ToadNet) - Address all NetMail to "Fire Escape".

The latest version of the Directory is also available by F'Req from ToadNet (86:8012/38) or FidoNet (1:100/225) under the name "BBSLIST".

DISCLAIMERS:

(1): NONE of the above BBS'es paid any money for their listing. This directory is a FREE advertisement as a public service to the St. Louis community and should be distributed freely. BBS'es may be either "personal" or "commercial". And both types are listed freely without regard to nature. ALSO NOTE: This directory does NOT support or endorse any particular BBS(es) NOR does it reflect any "personal" recommendation(s) by Fire Escape.

(2): The ONLY "official host BBS" for this directory is "Fire Escape's BBS Directory HQ". This Directory may ONLY be reproduced or distributed in it's ORIGINAL and UNALTERED form. The removal or alteration of any of the proceeding BBS listings or disclaimers without the express permission of Fire Escape is PROHIBITED! (It's not very nice either!)

THE ABOVE DISCLAIMERS ARE THERE FOR A REASON. PLEASE DO **NOT** DELETE THEM!
